

Free Personalized Memo Pads

Just for visiting our website and placing an order for memo pads, we will print them and deliver to you—FREE! Get 5 pads of 50 sheets to write notes to coworkers, family, friends and customers. No catch, no obligation.

Why? Why would we want to go to the trouble of giving you free memo pads? Consider it a bribe to get you to visit our website and place an order. It will be pretty fast, and fairly painless, and we hope you will come back again to visit when you need a quote on stationery or a brochure, or some other print or copying project. You may want to poke around the IDEAS tab while you're visiting. You'll probably find many subjects there that are of interest to you.

Of course - if you happen to look in the supply room and see that you are running low on a form, a brochure or an envelope, come on back to the website and give us a few details and we will email a quote back to you on the double.
